Dear Mr. [REDACTED] 25X1C

REFERENCE: Your letter [REDACTED] 23 August 1973 25X1C

Our map specialists were very pleased with your acquisition of "Mapa Turistica de Cuba", which we had asked [REDACTED] 25X1C
25X1C [REDACTED] obtain for us. We plan to reproduce this map in black and white for dissemination to our regular customers.

We discovered that the copy you forwarded was a revision of an earlier edition, suggesting that the map is a basic publication which would be republished as revisions warrant. If so, acquisition of future editions of the same map will be very useful in our keeping up with changes in data like transportation and administrative boundaries. In looking for new maps of Cuba, we hope [REDACTED] 25X1C
this one.
